COOCH BEHAR GOVERNMENT
ENGINEERING COLLEGE

A GRAND CULMINATION OF THE
COLLECTIVE EFFORTS OF
SECOND YEAR STUDENTS

October

11th

ROESO 5.0

CROESO is the Grand Freshers of Cooch Behar Government Engineering College. It is organized by the 2nd Year students to welcome the 1st Year students newly admitted into the college. This program anticipates the presence of all the students of the college and provides an opportunity for the new students to interact with the rest of the college community and also to introduce themselves. This is thus their first Big Event in College that they are able to witness, an event solely organized for them to come and blend into the culture that is present in the college and to make themselves familiar with it. They are thereby accepted as part and parcel of the CGEC family.

COOCH BEHAR GOVERNMENT
ENGINEERING COLLEGE

Invitation

The Freshers Party of Cooch Behar Government Engineering College CRCESO 5.0 is here. The event is going to be held on 11th of October. All the first year students are invited and welcomed, to witness the cultural events and band performances and to increase their social interaction with the rest of the CGEC seniors.
